

COLLAR/COLOR/CALLER Reading

There was once an owld woman who had a odog she awanted to take to a odog owshow, but the odog had an owld acollar. She didn't want to go to the ashow and have the owdog owshow oaudience owfocus on her odog's owold acollar, so she ocalled a owcompany that asold owcollars.

This woman ocaller awanted to owknow what ocolors the acollars came in.

The woman ocaller asked, "What ocolor acollars do you have?"

The ocall center representative consulted the ocollar acolor list and replied, "The ocollars ocome in an owarray of owcolorful aoptions. Since you've ocalled for our acollar owcolor choices, I'll asend you a owcollar owcolor flyer."

The woman ocaller was so happy that she had ocalled to owconfirm acollar owcolors. Now, her odog would owgo to the owshow with a acollar that owshowed he was a odog owshow winner.
